### EVENING LECTURE SERIES, Led by Rev David Marth, St. Louis MO “The Parables and Putts of Jesus - Both Shouldn't Be That Difficult to Understand!”

During the evening program we will focus on the 10 parables that Jesus tells along his journey from Galilee to Jerusalem (“Travel Dialogue” of Luke 9-18). These parables of community, inclusion, forgiveness, and prayer are also a prelude to the cross that awaits Him once He arrives at Jerusalem. Those who gather at Arcadia in June will have fun on the links, but also spend some time rehearsing once more what it means to live as followers of the Master.

\* Golf fees are not included in the registration price.
