## FAMILY WEEK VACATION PLANNING GUIDE

---

We are excited that you are coming to Camp Arcadia. This vacation planning guide is intended for those who are registered for a family week at Camp Arcadia. Many common questions about what to expect are answered in this guide, but if you have additional questions please feel free to contact the Camp office during business hours at (231) 889-4361. There is no question that is too silly, so please feel free to ask.

### TIMING YOUR TRIP

Camp Arcadia is on eastern daylight time. Rooms are available by 3:30 pm on Saturday; the office will also be open at that time for check-in. At check-in, the balance of your registration fee is due, and we will provide you with your room assignment. Should you arrive prior to 3:30 pm, you may use the Wigwam, patio, or beach until your room is ready. Dinner is served at 6:00 pm. Should you arrive after 6:00 pm, please join us in the dining room for the meal; we can take care of the registration following dinner.

### HOW TO REACH CAMP ARCADIA

Arcadia, Michigan is located on Highway M-22 that runs north/south between Manistee and Frankfort along Lake Michigan. Once you arrive in Arcadia, turn west from M-22 onto Oak Street, the northernmost street and drive to the end of the street where you will see the Camp sign, turnaround, and parking area.

**Our physical address is 3046 Oak St. Arcadia MI 49613, the telephone number is (231) 889-4361.**

## **WHAT KIND OF CLOTHING TO BRING**

An outdoor lakefront setting with the likelihood of warm days (80°), cool nights (50°) and the possibility of a rainy morning suggest your clothing needs. Dress at Camp Arcadia is casual. You will want a warm jacket, and most likely both shorts and pants. Some guests enjoy the option of "dressing up" for Friday night's candlelight dinner and Sunday worship in the historic village church.

## **LODGING & MEALS**

The 80 year old Inn at Camp is charming, clean and comfortable. Most guests staying in the Inn will be in one of the 40 traditional inn rooms that has a sink, with shared baths and showers down the hallways. Also in the Inn are four second-floor rooms that have private baths. Teen boys (15 or older) have the option of being housed in a dormitory room in the Assembly and teen girls are allowed to share rooms in the Inn if space allows. Children 14 years old and younger generally share rooms with their parents. Most rooms have a queen and a double bed, or queen and a bunk bed. We have 18-month size pack-n-play's and roll-away cots available for many of our rooms.

Rooms are provided with all needed bedding and extra blankets. The only bedding provided for pack-n-plays is a mattress pad and bottom sheet. Fresh bath towels and washcloths are available daily. Please bring your own beach towels and hand towels.

Guests staying in one of our camp-owned cottages have access to a kitchenette, dining area, living area, and private bathroom space. Linens are provided, as well as fresh towels daily. These cottage guests eat all meals in the Inn dining room.

Meals are served family style in the Inn's dining room: breakfast is at 8:30 am, lunch is at 12:30 pm and dinner is at 6:00 pm. Vegetarian options are available for lunch and dinner, and kids meals are available for dinner. High chairs and booster seats are available in the dining room. Meals on Sunday and Wednesday are served buffet style. Our apologies, but we cannot accommodate anyone requiring a severely restricted diet.

## **THE PROGRAM**

Camp Arcadia's program is planned but optional. Highlighting the daily activities is the Bible study conducted by the Dean (a Lutheran pastor) for the week with some weeks featuring an additional lecturer. Children and teens have separate programs led by the staff. Childcare for those under age three is provided in our Nursery.

Recreation and tournaments are planned for the rest of the day. Softball, volleyball, tennis, soccer, low ropes, hikes, and craft projects are favorite activities. In sunny weather the beach is the main attraction for all ages. Several kayaks and one rowboat are available for use along the shoreline, weather permitting. Playground equipment is located on the beach. Lake Michigan water temperature is often between 60-65°.

Evening activities may include a staff "talent" show, square dance, critter race, treasure or scavenger hunt, campfire sing-along, outdoor worship, inter-generational outdoor games and a carnival. Booth-type carnival games may be brought from home or can be created while at camp. Bring your creative ideas! Toward the end of the week, there is the traditional camper talent show (acts limited to five minutes!) Bring your musical instrument, magic act, skit or costume!

## **COMMUNITY LIVING GUIDELINES**

Our buildings are smoke-free, and because Arcadia is a family camp, the use of alcoholic beverages should be confined to adults in the privacy of guests' rooms. Please do not bring pets to Camp Arcadia. Parents or guardians are responsible for the supervision of their children during the day and for nighttime bed checks. Consideration for other guests suggests that 'quiet' be observed between 11:30 P.M. and 6:30 A.M.

The dining room meals are also our community gathering times. We ask that you keep your children seated until after the closing prayer and announcements.

We ask that bikes and roller blades only be used on Cottage Colony and village roads, not on central camp patio and sidewalks, please. Bike racks are provided at the turnaround.

### **FACILITIES**

Camp Arcadia has two tennis courts, a basketball court, four shuffleboard courts, and a softball/soccer field. There are also nature trails that wind through our forested 110 acres.

Coin-operated laundry facilities for guests are located in the basement of the Wigwam adjacent to the women's beach showers. Laundry detergent is provided; there is also an iron and ironing board.

The Wigwam has a variety of indoor recreation opportunities: a piano, Ping-Pong, Foosball, Billiards, table shuffleboard and mini-bowling. Games, puzzles, cards, TV and books are also available. The Trading Post, an ice cream shop and gift shop, is also in the Wigwam.

The Craft Shop offers opportunities to create artistic projects such as tie-dye shirts, candles, jewelry, and needlework for a nominal fee.

### **NEARBY POINTS OF INTEREST**

Northwest Michigan is blessed with long stretches of sandy beaches, towering sand bluffs, and rolling hills. There are numerous championship golf courses to choose from – including Crystal Mountain, Arcadia Bluffs and Pinecroft golf courses.
