

2016 - Extended Season Staff Bonus Program

We're seeking summer and fall staff members who can work longer periods of time. Generally, there are two groups of staff: the Summer Staff who work from late May through all Family Weeks, and the Fall Staff who work from the end of Family Weeks through the close of camp. For 2016 there are separate bonus programs for each group of employees.

Summer Staff Bonus Program

We want staffers to continue working through all family weeks and beyond. The following bonus program is available for summer staff:

- Work the entire summer through August 26th: **\$200 bonus**
- Continue working through September 25th: **an additional \$250 bonus**
- Continue working through October 30th: **an additional \$300 bonus**

Fall Season Staff Bonus Program

For Fall Staff, we want staff who are employed continuously for four retreats or more. So, for Fall Staff (who are not eligible for the Summer Staff Bonuses) we offer:

- Four continuous retreats, including prep between retreats: **\$200 bonus**

In addition to these financial incentives, as a longer-term staffer, your co-workers and management staff will look to you to be a leader. Often times, those who stay longer are promoted to leadership positions and are paid at a higher rate.

While at Camp Arcadia, remember that room and board are included. Lodging is provided in the Wigwam staff quarters. Three meals daily are provided.

There are many non-financial benefits of your stay at Camp Arcadia including job skills learned, future job recommendations, contacts made with guests, very enjoyable community of co-workers and guests, swims in Lake Michigan, bonfires, etc.
