LIFE IN RELATIONSHIP

Heidi Goehmann
Sept 22-24, 2023

Relationships are complicated - whether we have many or few. Our relationships often add layers of compassion, love, and kindness to our lives, but also add challenges, hurt, and frustrations. Love, boundaries, and grace in relationships have been human concerns since the dawn of time. During this retreat we'll turn to the book of Ephesians to gain insight from the experience of the Ephesian Christians in their relationships and talk through the various relationships of our own lives to ground them more deeply in grace, safety, and well-being.

Heidi is a licensed clinical social worker and mental health provider and also a deaconess. She loves walking with people to find the ways God has built restoration into our bodies and souls. She provides therapy, writes, and creates resources about mental health, genuine relationships, hope, and restoration at heidigoehmann.com. She loves her giant dog, Star Wars, hockey, adventures, and new ideas. She lives in Ludington, Michigan with her husband, four amazing kids, and 1.5 dogs.
